CROP HUNGER WALK

ENDING HUNGER ONE STEP AT A TIME

York 50th CROP Hunger Walk

You know what hunger looks like! You’ve seen it on local news stations and in the faces of kids around the world. It is long-lasting, and it is everywhere. But, with your help, so is our response to it. For 50 years, the people of York County have come together to fight hunger in exceptional ways through the CROP Hunger Walk. These aren’t politicians or celebrities – they’re passionate and compassionate! Farmers, students, members of the faith community, volunteers and more who care that the people they see on a daily basis are struggling. And for five decades, they have walked to make a difference.

Save the date for Sunday October 13, 2019 for the 50th CROP Hunger walk. This year there are 4 starting locations ending up at Continental Square for the Celebration! Sign in time is 1:30PM with the walk starting at 2:00PM. If you would like to walk, please contact Barb Crum who will have the materials needed.

Pastoral Reflection

“Every one of us needs a half hour of prayer a day, except when we are busy – then we need an hour a day.” ~St. Francis de Sales

I don't know about you, but life just seems to get super busy sometimes for me. This may be because I (we) have taken on more than we should, or it could be that we just like to stay busy because it helps us to feel like we matter and are needed in today's world.

Yes, I am one of those people that my schedule sometimes gets super busy and a bit overwhelming. Have you ever notice that it's never just on the work side or the personal side; it seems to be both at once? I must confess, that when that happens to me, I tend to just put my head down and keep marking things off of my “to do list.” Unfortunately, some things fall by the way side and my personal time with God tends to take a big hit. I bet many of you are the same.

In our summer Elephant in the Pew series, one of the topics is “Putting/Loving God first.” We will be discussing this topic in worship on Sunday, August 4th. This topic is all about my comments of how I often function when my life gets overwhelming.

The opening quote from St. Francis de Sales is one that I try to keep front and center in my life. I have it taped to my refrigerator to help me remember the way I need to prioritize my life.

- What about you?
- Do you give God at least a half-hour of time each day?
- Why do you think that is so important?
- And why would St. Francis say that we need to double the amount of time when we are so busy, and our lives feel overwhelming or a bit out of control?
- What does it mean to put God first in your life – even before your children, your spouse/partner, even before yourself?
- What are the benefits to putting God first in your life?

Join us in worship on August 4th for more conversation on this topic!

My friends, may your August be filled with

daily “time-outs” with God. May you find refreshment and renewal in each.

Blessings and peace,

Pastor Brenda

Hayshire Elementary Backpack Program 2019/2020

September 2019 will start a new Volunteer Schedule for packing food to be sent home with Hayshire Elementary children for the weekend. The exact months assigned to Hayshire will not be determined until closer to the start of the new school season. If you would like to volunteer again to be part of a team, there will be a sign-up sheet on the bulletin board in the gathering area. There is an expected increase in the number of children participating in this program for the new school year so what took 15 minutes in the past might take 30 minutes.

Thank you

Barb Crum

Memories of My Service as a PCC Board Member

Back in October of 2014, I received a surprising call asking if I wanted to join the Penn Central Conference Board of Directors and serve on the finance committee. Since I was finishing up the first term of a lay person who was moving out of the area, I would only serve 1-1/2 years before I would need to make a decision about serving a second full term of 3 years. I was honored by the opportunity and decided to give it a shot.

At the time I became a board member, the PCC was in a period of transition. The previous conference minister had retired following the June 2014 annual meeting. I could never have anticipated what was going to happen over the next 4-1/2 years. I heard one board member categorize the time period as “chaos”. I tend to refer to it as “high drama”. In 4-1/2 years, I sat in meetings with a conference minister, 4 interim conference ministers, and at my next-to-last meeting, the board voted to call as a transitional conference minister, Rev. Carrie Call. I am confident that Carrie is the right individual to lead the PCC in the years ahead.

Despite some intense meetings and very difficult choices, I am grateful to have served on the board these challenging years. I have a tremendous amount of respect for the individuals who served on the finance committee. There were some very intelligent and passionate people who served on our committee. Overall, the board of directors were a collection of clergy and lay people who cared deeply for the PCC. Opinions sometimes clashed, but everyone was given a fair chance to say what was on their mind. We made some good decisions, but in Joe Paterno’s famous words, “in hindsight”, there are a couple of decisions the board would have made differently. If we knew back when the decision was made, what we know today, there would have been a different determination. As a board member, you make decisions based on the information you have at the time of your vote.

My prayers are with the new board members & my colleagues still on the board. In the months

and years ahead, I know there will be important discussions about what is in the best interest of the conference moving forward. I will always hold a special place in my heart for the PCC.

Update on Aluminum Tabs & Box Tops Projects

We have been collecting aluminum tabs in an effort to help support the Ronald McDonald House of Hershey for a couple of years now. We recently dropped off three huge bags of tabs to the Ronald McDonald House and they were very thankful for our efforts! The aluminum tabs are sold to a local recycling company and the proceeds help with daily operating expenses at the Ronald McDonald House. Don't forget to remove the tabs from your soda cans and add them to our collection jar!

We have also been collecting Box Tops for Education and those have been going to our neighbors at Hayshire Elementary. They can redeem these for cash to buy products and supplies for their school. The traditional Box Tops clips are being phased out of production, but as long as you find them on boxes, we can continue to donate them! At some point our collection jar will go away, but you can always use the new scanning option to support Hayshire Elementary.

Thank you for your participation in these worthwhile programs.

Library

It's time for the library to get a summer cleaning. We are looking to move the children books to the back of the sanctuary. Making it more accessible for our children.

If you are interesting in donating a small book shelf for this purpose, please contact the church office.

There are many books that we have duplicates of and would like to share with others. If you know of someone that would appreciate one of our duplicate books, please take and share. These books will be in a designated area to pull from.

When you donate a book to the library, there will be a designated area to place the book as well. If you would like recognition for your donated book, please provide your name with the book and the book will be marked accordingly.

The library will be updated weekly or as needed with any new arrivals.

//Thank you, Dawn

Sixth Month Giving Statements

With the recent changes to the tax codes, we have decided not to send out sixth month giving statements. If you still would like this information, please contact Dawn at the office and she will make sure you receive a statement.

The churches' end of June finances:

Expenses were more than income by \$4,540. Our current position is favorable to the previous two years. As we move into the summer months, we normally trend towards a bigger deficit before rebounding in the last 4 months.

Offering income is down by \$2,235; however, the use of building and various fundraisers have helped to offset the decrease in giving.

Our expenses are \$3,033 less in 2019 than at a comparable time in 2018. This decrease has also helped to put us in a more favorable position.

We would like to thank everyone for their generous support. Please prayerfully consider your giving for the rest of 2019.

Diane King Susek & Buddy King Concert

We are always excited to welcome Diane Susek & Buddy King to Hayshire! On Sunday, July 14th, these talented siblings who grew up in Central PA, once again blessed us with their gift of music and song. A sanctuary full of congregation and community members enjoyed some of their favorite hymns, along with a few popular tunes, and even a couple of patriotic numbers! They have been a summer staple for the past several years here at Hayshire, and we hope to continue having them join us in July for years to come!

Outdoor Family Movie Night – August 16th, 8:00PM

Mark your calendars! Invite some friends! This year we will be showing Disney's "Mary Poppins Returns". Decades after her original visit, the magical nanny returns to help the Banks siblings and Michael's children through a difficult time in their lives. In Depression-era London, a now-grown Jane and Michael Banks, along with Michael's three children, are visited by the enigmatic Mary Poppins following a personal loss. Through her unique magical skills, and with the aid of her friend Jack, she helps the family rediscover the joy and wonder missing in their lives.

This community event is for our friends of all ages. Bring your blankets and lawn chairs and enjoy a family friendly movie under the stars. There will be plenty of theme appropriate snacks to enjoy during the show. Hopefully the weather will cooperate, but if not, we will move indoors. Hope to see you there!
