Pastoral Reflection

We kick off June with a time of celebration. We celebrate with our graduates and the many milestones that they have reached. What a joy it is to recognize everyone's hard work. "Oh the places you'll go and the things that you'll do" (*Dr. Seuss*). God has great plans for you! And we can't wait to see what they are and where they will take you next. Thank you for allowing Hayshire to be part of your journey and share in celebrating you and your loved ones.

We are, also, celebrating the beginning of summer! It's finally here, and the warmer days are upon us. While our Adult Journey Class, kids and youth Faith Time sessions, Messy Church, and Table Talk take a break over the summer, we still have tons of activities and plans on our schedule. We have a great variety of things that we know you will love and will want to share with your family, friends, and neighbors. Keep an eye on the bulletin boards, Haylo, Facebook and weekly bulletins for information on each event.

Summer is a fabulous time to engage God in a different way. It's a great time to "get back to nature" and enjoy spending time with God in the beautiful outdoors. It's also a great time for us to revisit what we talked about in Lent on how our Created World is crying out for us to change our ways – for us to be more mindful of how we live and use the resources that God has provided for all people.

It's so easy to get caught up in the various tasks and activities that we all love to do over the summer: Work in our gardens, mow the lawn, ride bikes, swim, take walks, etc. Do you ever take the time to pause, soak in the sounds and movements of nature around you and ponder how God is speaking to you through creation?

- What song are the birds singing to God and you today?
- What message is the wind whispering to you as it blows through the grass and trees?
- How is God asking you to help make creation a better place?
 - How can you better use the resources you have been given?

- How can you use less and love the created world a bit more?

This June, I encourage you to take time each day to pause and soak in the sounds, smells, and movements of nature around you. Spend some time with God, enjoying each other's company and the beautiful place created just for us. My hope is that this time will bring you a new sense of peace and purpose for our world and your place in it.

Have a blessed June!

Pastor Brenda

Blanket Sunday

On Sunday May 12th, an offering for Church World Service blankets was taken. I had asked that we try to break our total of 38 blankets from the previous year. Well we did it!! A total of \$415 was collected which will supply 41 blankets.

Thank you so much for your generosity for those in need.

Yoga

Now thru end of summer we will offer yoga on Thursday evenings at 6:30PM. Please keep watch on bulletin board and newsletter for when we bring back Saturday classes this fall.

COUNCIL HIGHLIGHTS

- We organized the Strawberry Festival. See sign-up sheet for sides, desserts and cakewalk.
- We are Going Green! One Sunday a month we will not have bulletins. We will also be phasing out Styrofoam cups, plates and bowls.
- Discussed preschool teachers raises.

From your President---

Just like our own families and our friendships there are those individuals that we feel more of a bond to. Cindy and Dennis Brzezinski were one of those couples for me. For over 12 years I would come to church and being a creature of habit I would migrate to the same pew in front of the church on the lectern side. Almost every Sunday, Cindy and Dennis would be sitting to the left of me. Over the years we have passed the peace hundreds of times.

I have had the privilege of working with both Cindy and Dennis on council and various committees. Both have been valuable contributors to Hayshire. Most of their work has been done behind the scenes. Every church family needs couples like the Brzezinski's. They love the church and had the opportunity and the passion to make Hayshire a better place to worship.

When it was time for Dennis to move last fall, I helped load a few items so he could begin his journey to Florida. I remember having mixed emotions as we hugged and said good-bye. I was happy for Dennis and knew he was about to begin the next journey of his life. Cindy and he had been talking about their move to Florida for several years. Their dreams were finally starting to come true.

Unfortunately, life doesn't always allow for things to happen as we hope they would. I know Cindy has many wonderful memories from all of the years Dennis and she spent together. May those memories help comfort her in this difficult time.

I know the Hayshire church family will be there for Cindy while she is back in York for whatever length of time that may be. Even though it is difficult to imagine now, with the help of her family and friends, Cindy will manage to get through this difficult time in her life. Her faith will remain strong.

Dennis' passing is a reminder to all of us. Enjoy each day. Let your loved ones know how much you appreciate and care for them. None of us knows what the next day will bring.

May Dennis rest in peace. God bless.

June 3rd Outdoor Service & Strawberry Festival

Bring your lawn chairs and enjoy worship outside at 10:30AM, followed by our annual Strawberry Festival & Cookout. Don't forget to invite your family and friends to join us. We will feast on burgers, hot dogs, delicious side dishes, ice cream, and of course, lots of strawberries! We will also enjoy a cake walk, bingo, and activities for the kids. As always, when we gather, there will be worship, fellowship, fun, and great food!

Do you shop on Amazon?

Here is another great way to give to Hayshire without dipping into your pocket again.

Shop on Smile.Amazon.com and Hayshire will receive .5% of the price of your eligible purchases.

All you need to do is go to smile.amazon.com to get started.

On the first screen, underneath the search feature click the **supporting tab**. It will ask you to choose who you would like to support. Type in **Hayshire United Church of Christ**—then click select.

It's as easy as that. You will only need to do this one time and now every time you go into your Smile.Amazon account Hayshire will receive .5% of your eligible purchase.

Thank you for taking a few extra minutes to give back.

Those we *love* can never be more than a *thought* away . . . *for* as long as there's a *memory* they live in our *hearts* to stay.

Friends and supporters of the York Association

THANK YOU for your overwhelming support for Mr. Sandy's Helping Hands for Veterans. We received over 80 bags at the Celebration Banquet!

Half of them were delivered to the shelter this week. The other half will be given directly to Veterans on Military Share day this month. To God goes the glory for giving you a spirit of generosity!

Rev. Cathy Sherry

Chair York Association Community Outreach

Mr. Sandy's Helping Hands for Veterans

Hayshire provided \$200 in food cards and \$200 in cash from their Lenten offering. The week after Easter, Dick Lloyd helped deliver half of the over 80 bags collected by the York Association. The remaining bags were distributed on Military Share Day to veterans. The reusable bags were particularly appreciated! The York Association will continue to learn about ways we can support this local ministry.

Doing our part to Go-Green

Council has decided to embrace a few “Go Green” initiatives as part of our Lenten discussion on Climate Change, Climate Church. One of the simplest things we can do, is to go “paperless” one Sunday a month. This will help save a tree or two each month, thus providing additional oxygen in our air supply. We are going to “test” this process out during the summer months.

On the 3rd Sundays of June, July, and August, we will not print worship bulletins. I know you all like to have a bulletin in your hand, and you’re thinking, “How will I know what we are doing next, what I need to say?” Don’t worry, we have you covered! All of our announcements, liturgy and hymns will be projected on the screen during our worship service. The format will be the same as when we have bulletins, so no need to worry that you won’t know what comes next. We will still provide a few large-print bulletins, and printed copies of Pastor Brenda’s sermon for those who utilize them each week.

Remember.... Worship is all about what’s in your heart, not whether we “do it right” or not. So, come out and join us as we do our part to help make God’s world a better place for all. Council thanks you for your flexibility and support. We look forward to hearing your feedback after we have completed our 3-month stretch.

Go Green Sunday is Back!

Sunday, August 18th at Shiloh UCC - 2 - 4 PM

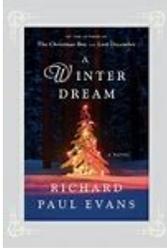

Free shredder truck will be there!

With the Association emphasis on Climate Change, we have all new activities and events. Plan to stop by for 15 to 20 minutes or MORE for fellowship, food and fun at this informative, engaging, intergenerational event sponsored by the York Association.

Chair York Association Community Outreach

elephant in the pew

Summer series is back!

For the last two summer Pastor Brenda has shared series entitled "The Elephant in the Pew." Once again she is asking you to think about:

What Bible stories, characters, or topics have you always wondered about and/or want to hear more about? Please be as specific as possible – such as:

The Ark of the Covenant – what is it, how was/is it used

Based on your suggestions of topics, characters and stories, Pastor Brenda will prepare her weekly messages for July 21st thru August 25th. Come out and join us as we explore some of the hidden treasures within the Bible and our faith.

Please submit your ideas by June 23rd via the church office, or through the suggestion sheet posted in the Gathering Place.

Communication Process

As we continue to refine our communication processes, we are excited to be sharing some forms that will allow us to more efficiently promote all the great stuff happening at Hayshire.

On our website, we've created a page specifically for communications. This page does not show up in the navigation of the site for visitors, and it's simply meant to be a place for us to house all resources related to our communications.

www.hayshireucc.org/communications

If you are leading a ministry or event and have a message you'd like the Communications Team to promote:

- Visit the communications page (link above) and click on either Event Request or General Message Request. (Events include things like Easter Egg Hunt, Messy Church, Paint and Enjoy, etc. General messages include upcoming mission projects, Journey Class topics, worship themes, etc. When in doubt, fill out either form.)
- Fill out the form. We've added fields that will help our team accurately and effectively promote your message or event.
- Press "Submit" on the request form, and you should receive an automatic confirmation email in reply.
- A Communications team member will review your request and should contact you within a few days to let you know whether we can get started with what we have or whether we require additional details.

If you have any questions, please reach out! We want this to be a collaboration and we're happy to talk through any part of the process.

Thanks!

Your Communications Team
